NUMBER 41.

SENATORIAL OUTLOOK.

Senator Hanna Said to Be Short One Vote.

DEMOCRATS ARE SATISFIED.

They Believe Kurtz Has the Necessary Pledges.

DEADLOCK IS NOW ANTICIPATED.

The Vote on Joint Ballot Is Looked to With Considerable Interest, as Some Remarkable Surprises Are Expected.

Columbus, O., Jan. 11.—Senator Hanna is believed to be short one vote of election. The opposition is not sure of 73 votes for any one man against the 72 for Hanna, but they feel confident at least of preventing Hanna's election.

The Democratic steering committee demanded of Mr. Kurtz that he furnish at least eight affidavits from Republican members that they would stand with the 65 Democratic members in voting against Hanna. The Democratic steering committee report that they are now satisfied. Representative Gayman, chairman of the house Democratic steering committee, went so far as to say Hanna's defeat was assured.

There is no doubt that Senator Hanna was beaten for a week previous to last Friday, when Representative Manuel of Montgomery county changed in his favor. On Saturday the Hanna men secured Representative Griffith of Union, but they have made no accessions since, and it is the general belief that they are short one vote.

It was agreed by a conference committee that the balloting in the two houses would not begin until 2 p. m. There is a feeling among many of those opposing Mr. Hanna that if he is not defeated on the first ballot, or rather by the separate ballots, he will not be defeated at all.

These anti-Hanna workers say they had a majority of 5 against Hanna when they exposed their strength in organizing the legislature last Monday, and if they come down to a majority of only 1 against Hanna that the coalition may not hold together for another day.

They Want Kurtz.

While the opposition still insist on Mr. Kurtz as the candidate against Mr. Hanna, yet they say that Bushnell, Kurtz or any other one will be dropped as soon as it is demonstrated that he can not secure all of the votes of either the anti-Hanna Republicans or the Democratic members.

One of the names most prominently mentioned was that of Representative John P. Jones, who represents Stark county, the home of President McKinley. Mr. Jones is a Republican and prominent in the miners' union. He is for free silver and is advocated as the labor candidate against the capitalist.

While the mass convention of the Republicans was the largest and most indignantly enthusiastic assemblage ever known in the state, the doubtful Republican members of the legislature did not see it for feel it. They were closely and liberally entertained by the opposition at the Great Southern hotel during the afternoon and night.

Representatives Manuel, Griffith, Snider and others had the undivided and constant attention of the other side. There were at times lively scenes when Hanna workers invaded the Great Southern hotel, and also when the husters for the opposition went to the Neil House after some of the doubtful members or their friends.

Doubt About Final Vote.

There is doubt about the final vote of some of those on whom both sides have been depending. With the result depending upon one vote either way, there are several who want to be on the winning side, and may change according to their belief as to which side has the necessary 73 votes.

Owing to the apparent closeness of the vote, there are still numerous rumors of bribery for another vote either way. It is noted by some of the more conservative observers that as soon as no further changes were announced each day the contending factions alternated in daily bribery stories. The Hanna men claim to have stenographic notes of an offer of \$5,000 by two prominent members of the opposition. The opposition, in turn, claim S. D. Hollenbeck, a member of the Republican state executive committee, went to Cincinnati last Saturday with \$10,000.

It is charged that Representative Otis was offered and accepted \$10,000. Representative Otis is a Republican who was elected on a fusion ticket in Ham-

ilton county. He voted with the Democrats in the organization, but it is claimed that he made friendly overtures to Hanna workers to entrap them into an offer for the purpose of exposing the same.

The Hanna men make a general denial of the Otis charges, and say that they anticipate other dramatic performances.

Outside the opposing senatorial headquarters, the city was filled with excursionists yelling themselves hoarse for Hanna. The crowds and the excitement surpassed any of the usual convention scenes.

Sensation of the Hour.

Colonel T. C. Campbell, Jerry P. Bliss and others opposing Hanna arrived with Representative John C. Otis from Cincinnati. Several thousand words of sensational matter was soon afterward given out to members of the press about the offers of bribery to Representative Otis. It was prepared by Colonel Campbell.

A summary of the long story, according to Colonel Campbell's statement, is that Henry H. Boyce of New York and formerly of Los Angeles, called on Colonel Campbell last Friday at the latter's office in Cincinnati and offered Campbell \$1,000 of a fee to get Representative Otis to vote for Hanna. Campbell and Otis had frequent meetings with Boyce, who claimed to be representing J. Pierpont Morgan and others who have interests in Ohio that might be affected by legislation in Ohio.

Colonel Campbell and Representative Otis say they determined to give Boyce all the latitude he wanted, and set a trap to catch him. Hollenbeck, who was said to be the middleman, was also taken into their counsels, according to the statements. Campbell and Otis say the money was produced and that they are holding it in trust, and that a statement accordingly will follow.

The opposition insist that Hollenbeck has fled to escape arrest. Such a statement is published regarding Hollenbeck, while nothing can be learned here of the whereabouts of Boyce. The Hanna workers now charge that Hanna is being opposed by a combination that includes William R. Hearst of the New York Journal, John R. McLean of the Cincinnati Enquirer and other free silver leaders, as well as by the political coalition that is now arrayed against him openly in this city.

Foraker in Washington.

Washington, Jan. 11.—Senator Foraker has returned to Washington and occupied his seat in the senate for the first time since the Christmas holidays. Referring to the Ohio senatorial contest, he said that it was very bitter and much to be deplored. "I have kept out of it," he said, "and have had nothing to do with it except only to try to make peace. All efforts in this direction have so far been unavailing, but we hope yet to solve the difficulty in some way that will be as nearly satisfactory to the party and all concerned as such settlements usually are. That is all I can say at present without fear of doing more harm than good."

CRITICAL ISSUE.

France Takes Possession of Fashoda For All Time.

Paris, Jan. 11.—Despite denials, the French government is aware that Captain Marchand has occupied Fashoda, and it intends to base a claim to possession of that region on priority of occupation. Moreover, the French government regards this as the most critical issue in foreign politics.

Emperor's Mother Dead.

Shanghai, Jan. 11.—Princess Tai Won Koon died on Saturday. She was the real mother of the emperor, his adopted mother having died three or four years ago. She was 78 years old. The emperor will go into mourning for 27 days.

MUCH THE BEST OF IT

Had the Opponents of Civil Service In the House.

ITS FRIENDS WANT TO QUIT.

Sense of the House to Be Tested on a Motion to Close Debate, and the Opposition Say They Will Surely Win.

Washington, Jan. 11.—The opponents of the civil service law had much the best of the debate in the house, so far as the number of those engaging in it was concerned. Nine of the 11 speakers were of the opposition.

The friends of the law are very anxious to shut off further debate, and in this will have the further co-operation of Speaker Reed and the rules committee. Mr. Moody, who has charge of the bill, gave notice that he would test the sense of the house on a motion to close debate.

The opposition immediately sent word to all their ranks to be on hand, and they say they will have no difficulty in defeating the motion.

AGAINST OPEN SESSION.

Hawaiian Treaty to Be Considered Behind Closed Doors.

Washington, Jan. 11.—In accordance with his previous notice, Senator Davis, chairman of the senate committee on foreign relations, brought up the subject of the ratification of the Hawaiian annexation treaty in the senate.

His motion was made soon after the disposal of the routine morning business, and the entire remainder of the day's session, except the time given to the confirmation of nominations, was devoted to the consideration of the question as to whether the treaty should be considered in open session or behind closed doors in executive session.

After a debate of almost two hours upon this point an informal vote was taken, the yeas and nays not being demanded. The decision was overwhelmingly against an open session.

Machinists Made a Kick.

Washington, Jan. 11.—A committee consisting of Representative Prince of Illinois; James O'Connell of Chicago, president of the International Association of Machinists; Hon. Charles G. Dawes, comptroller of the currency, and others called on the president in the interest of the machinists at the Rock Island arsenal. They represented that Commandant Blunt had arbitrarily scaled down the wages of the machinists to the extent of from 1 cent to 53 cents per day, notwithstanding their wages were already lower than those paid for similar work in the immediate vicinity.

Has Not Yet Succeeded.

Washington, Jan. 11.—United States Minister Angell at Constantinople has reported to the state department that he has no yet succeeded in securing an assent from the Turkish government to his demand for the payment of an indemnity for the American mission property destroyed during the Armenian outbreak.

Wants Big Damages.

Washington, Jan. 11.—Messrs. Dittenhoefer, Lauterbach and Limburger, counsel for Dr. Cornelius Herz, appeared before Solicitor Penfield at the state department and presented a claim for indemnity in the sum of \$5,000,000 against the French government for an alleged attempt to persecute Mr. Herz. The case is remarkable in many ways, and it is said at the department is without a precedent.

The Pinta Turned Over.

Washington, Jan. 11.—The navy department formally turned the Pinta over to the naval militia of San Diego, Cal. She will be taken in hand by the militia at San Francisco and driven under her own steam.

Jail Delivery Attempted.

Knox, Ind., Jan. 11.—Outside parties tried to free from jail William Messenger, who has been sentenced to the penitentiary for life for murdering Charles Nelson at San Pierre, but the attempt was frustrated.

Dr. Jameson's Plans.

London, Jan. 11.—It is understood that Dr. Jameson, the Transvaal raider, will not return to England at present. He intends to become a candidate for the Cape parliament.

END APPROACHING.

Engineers' Strike in England About to Be Terminated.

London, Jan. 11.—There are signs that the end of the great strike in the engineer trades of Great Britain is approaching. Large numbers of Glasgow engineers applied for reinstatement, while a meeting of the engineers of Fairfield decided to continue work in spite of their previous threats to leave work when the first 25 per cent of their number were locked out.

Casts of Pueblo People.

Chicago, Jan. 11.—The Field Columbian museum is to have the only series of authentic casts of the Pueblo people in existence. There are a few casts made from negroes and pictures at Washington and in European museums, as well as a very few authentic casts, but it has been most difficult to get casts of this strange people from life. The casts that are to be set up in the Field museum were made in the last month under the direction of George A. Dorsey, curator of the museum, and by F. B. Melville, the sculptor, who has done the same kind of work under Professor Starr.

Adoption Rescinded.

Madison, Wis., Jan. 10.—Judge Carpenter rendered a decision which, if sustained, will have a sweeping effect. He held that a child can not be legally adopted without the consent of both parents, if living, if the child has not been abandoned. J. H. Rhyder, whose wife deserted him, was sent to prison for forgery here recently. A 4-year-old daughter, thus left alone, was adopted by a saloon keeper. A suit by philanthropic parties to have the order of adoption rescinded led to the decision.

Hired Man Suspected.

Worcester, Mass., Jan. 11.—Frances D. Newton, a prosperous farmer of Brookfield, his wife Sarah and their 10-year-old adopted daughter Ethel, were found murdered in their beds. The crime was discovered by neighbors, whose curiosity was aroused by the howling of the unfed cattle. The three had been killed with an ax. A hired man, who has been employed by Newton, is missing, and the authorities are making a search for him. He was known only by the name of Paul.

Injunction Denied.

New York, Jan. 11.—The application made in behalf of Charles De Neufville for a preliminary injunction which would have practically stopped the sale of the \$100,000,000 issue of refunding bonds of the New York Central railroad until a decision was reached in De Neufville's suit against the New York and Northern railroad company, the New York Central Railroad company and Drexel, Morgan & Company, was denied by Judge Lacombs of the United States circuit court.

Leaving New York.

New York, Jan. 11.—The racing bicyclists who have been centered in New York for the last month are beginning to scatter. Some have gone out of training and are going home to rest, while others are going or are preparing to go to a milder climate to resume training for the next outdoor season. Jimmie Michael and his manager left for Chicago, where they will spend a fortnight superintending the building of new racing machines for the "midget."

Invented a Pegging Machine.

Lynn, Mass., Jan. 10.—Seth D. Tripp, 72, whose inventions revolutionized shoe manufacturing, is dead. When about 20 years old he began work on his first machine, which was for pegging shoes, and it was a pronounced success from the start. Previous to this time all the work in making shoes was done by hand. The machine was considered a wonder, and finally found its way into many factories.

Inspecting a Stock Farm.

New York, Jan. 11.—Both Richard Croker and Lewis C. Thompson, a part owner and agent for the Brookdale (N. J.) stock farm, deny the reports that the Tammany leader has purchased that property. It is believed some move of this character is contemplated. Mr. Croker has recently inspected the farm, having discussed maps, surveys' charts and prices with a local Monmouth attorney.

Knows Nothing About It.

New York, Jan. 11.—George Coppel, chairman of the Wisconsin Central reorganization committee, referring to the incorporation at Milwaukee of the new Wisconsin Central Railroad company, said he knew nothing about it.

Increased Its Earnings.

Montreal, Jan. 11.—Canadian Pacific railway earnings for the week ending Jan. 7 were \$401,000; for the same period last year, \$302,000; increase, \$99,000.

Negro Murderer Electrocuted.

Sing Sing, Jan. 11.—Hadley A. Sutherland, negro murderer, was electrocuted.

BIG DEMONSTRATION.

Republican Massmeeting Quite Well Attended.

AN ENTHUSIASTIC AUDIENCE

It Being a Hanna Meeting, of Course His Name Was Cheered to the Echo, While Some Others Were Indignantly Hissed.

Columbus, O., Jan. 11.—The mass Republican convention at the Auditorium lasted from 3 to 6 p. m. with unbroken enthusiasm and intense indignation throughout its proceedings.

There were repeated scenes of hissing when the names of Governor Bushnell, Mr. Kurtz and others were mentioned. The terms "traitors," "Judas" and the like were frequently used in responses from the audience.

Several of the speakers referred to Senator Foraker in connection with the revolution in the party. The audience was in close and deep sympathy with the intense and bitter utterances of most of the speakers.

The Columbus Glee club, which refused to participate in the inaugural ceremonies, contributed largely to the enthusiasm of the occasion by its singing.

As Chairman Nash and Congressman Weaver came upon the platform the Tippecanoe club of Cleveland and the Business Men's league of that city entered the hall, and there was a wild scene for some minutes.

Congressman Walter L. Weaver of Springfield, O., the home of Governor Bushnell, was chairman of the meeting. He made a most vigorous speech against those whom he accused with schemes for the disruption of the party.

Colonel Robert M. Nevin of Dayton, who has always been the close personal and political friend of Senator Foraker, Mr. Kurtz and others who are at this time opposing the election of Senator Hanna, made a speech against the action of those whom he charged with demoralizing and debauching the party.

Wild Demonstration.

This caused the greatest demonstration of the afternoon. Almost the entire audience rose to their feet, and while standing on chairs threw their hats, handkerchiefs and other articles wildly about the hall.

At the conclusion of this remarkable address the following resolutions were unanimously adopted by a rising vote and the most enthusiastic demonstrations of approval:

"Resolved, first, That we condemn, without reserve or qualification, this most unholy conspiracy, and protest in the name of the people of the state of Ohio against its further progress and further success.

"Resolved, further, That we call upon every Republican member of the general assembly to be present in his seat on next Tuesday and by voice, by act and by vote to carry into execution the fulfillment of the obligation assumed by him when elected as such member; and

"Resolved, finally, That we will welcome most cordially to full co-operation with us the Republican members of said general assembly, however they may have voted or acted thus far in relation to the subject-matter of this declaration."

These were preceded by a lengthy preamble in which an appeal was made to Governor Bushnell and (indirectly) Senator Foraker to come to the rescue.

Congressman Burton of Cleveland made one of the most vigorous speeches of the afternoon and presented a mammoth petition with over 10,000 signatures from the home of Senator Hanna in favor of his election.

After the meeting Senator Hanna was serenaded at the Neil and responded in several speeches. Senator Hanna did not attend the mass convention nor the inauguration exercises earlier in the day. He was busily engaged in conferences with his co-workers.

The senator was compelled to make many speeches during the day and evening, and in all the responses he expressed the fullest confidence in the final outcome of the pending contest.

The regular monthly meeting of the Board of Directors will be held in the association parlor Wednesday evening at 7:30. The appointment of local committees for the State convention arrangements will be made, new members elected and other important business transacted.

A special meeting of the Y. M. C. A. Women's Committee is called for Wednesday afternoon at 3 o'clock, to meet at the home of Mrs. M. C. Russell, Chairman. A full attendance earnestly requested.

At the men's rally on Sunday afternoon which was well attended despite the stormy weather, Rev. Thos. Bagley gave an impressive address on "The Word of God," speaking in an earnest and instructive manner of the source, character of contents and power of "the Book of Books." A pleasing duet, violin and piano, was rendered by Misses Katie Ross and Carrie Hays.

The story of David's life as a youth was read and briefly commented upon in a very helpful manner, by Prof. Hayes Thomas, at the boy's rally on Sunday afternoon.

THE friends of Rev. Isaac M. Yonan, the young Persian who was graduated from the Presbyterian Seminary at Louisville last year, and is now living at Nashville, will regret to learn of the great trouble that has befallen him. The Mohammedans some time ago paid a visit to his native village, Oaroomiah, and dragged his aged father to prison, cut to pieces his eldest brother, who was governor of the Nestorian communities, which surround the city of Oaroomiah, and took captive all the children of the household, among them Mr. Yonan's little child. Mr. Yonan is quite well known in this city and State, especially among the Presbyterians. Oaroomiah, Persia, the place of his birth, is on the border between Persia and Turkey.

MR. SIMON ROSENAU and family left Monday afternoon for their future home at Philadelphia. He and his good wife made a host of warm friends during their residence in Maysville who regret to see them leave and who all join in good wishes for their future welfare and happiness. Mr. Rosenau will engage in business in Philadelphia as a manufacturer of straw hats, having for his partner his brother, Mr. Philip Rosenau, the style of the firm being Rosenau Bros. The business is an established one, employing 300 hands at the present time. Mr. Rosenau's place in the well known and successful Maysville firm is taken by his brother-in-law, Mr. Perry Frankel, whom the patrons of the house will find a very courteous and affable gentleman. Messrs. Harris and Frankel can be relied upon to maintain the high reputation the Bee Hive has enjoyed for years. Mr. Rosenau will still be connected with the house as its Eastern buyer.

WANTED IN ILLINOIS.

Vernon Wilson Captured Monday by Constable Dawson on Charge of Forgery.

Vernon Wilson, who is badly wanted in McLean County, Illinois, on a charge of forgery, was captured Monday afternoon near Rectorville by Constable Dawson, who returned at once to this city with his man.

Wilson was taken before Squire Grant who committed him to jail until this morning when he was turned over to Officer Clawson, of Illinois. The two left on the early train for Lexington, McLean County, the scene of Wilson's alleged crime.

Wilson is charged with forging seven or eight checks on parties at Lexington, and also with securing money on a fictitious mortgage. It is said the amount secured on the checks footed up \$400 or \$500.

The alleged offenses were committed last October, and after disposing of a couple of horses and some other property for a small sum he skipped and came to Kentucky, having spent the time since then with relatives on Cabin Creek.

Officer Clawson came to Maysville a day or so ago and placed the matter in Constable Dawson's hands, with a description of Wilson, and the arrest followed as detailed above.

Wilson is about twenty-two, and is married. His wife is still with his relatives on Cabin Creek.

Mr. C. N. BOLINGER was appointed postmaster at North Fork Monday.

The two most critical times in a woman's life are the times which make the girl a woman, and the woman a mother. At these times, Dr. Pierce's Favorite Prescription is of incalculable value. It strengthens and invigorates the organs distinctly feminine, promotes regularity of the functions, allays irritation and inflammation, checks unnatural, exhausting drains, and puts the whole delicate organism into perfect condition. Almost all the ills of womanhood are traceable to some form of what is known as "female complaints." There are not three cases in a hundred of woman's peculiar disease that Dr. Pierce's Favorite Prescription will not cure.

Coughs and colds in themselves are not serious maladies. The most trivial cough or cold, if neglected, may lead to asthma, bronchitis, or consumption. The right time to treat a cough or cold is right away. Delay means danger. Dr. Bell's Pine-Tar-Honey is a quick cure, a safe cure. Druggists sell it. For sale at Chenoweth's drug store.

THE entertainment to be given by Miss Wellington Glascock and her troop of pretty young ladies and little tots at the opera house Friday evening, the 14th, promises to be a delightful affair. ADDITIONAL information was obtained yesterday in regard to the finding of a part of a man's body on the river shore below Aberdeen. The remains were so badly decomposed that they were buried where they were found. Some of the people living in the neighborhood believe the man was originally buried on the shore in the vicinity where the legs and feet were discovered, and they now recall the fact that a year or so ago parties were seen to come to that side in a skiff one day and carry an object up in the willows. If any one has disappeared at this place in the last year or so, he may be the unfortunate whose remains were found Friday.

**A Happy
and
Prosperous
New Year**

Is our wish for all. In connection with our greeting we also desire to thank our almost countless patrons for their continued favors.

In business transactions, more especially between buyer and seller, the advantages must be mutual, if not, the relations will soon be severed. It certainly is advantageous to us that you patronize us. It is not entirely egotism when we say it is also advantageous to YOU when you buy of us.

No Clothing and Shoe house in the country is so jealous of its reputation for handling good goods only as we are.

You have bought of us and sometimes of others. Ask yourself this question:

"With whose wares was I the best satisfied?"

Let your answer be an honest one.

We expected to invoice the past week, but the rush for our 25 per cent. cash reduction kept our entire force busy selling goods, hence it will fully be the 10th of January before they will be ready to take account of stock.

Until then, same terms will continue to rule. You will do well to take advantage of it. You will never again buy good Clothing or Shoes so cheap. Truly yours,

Hechinger & Co.

THE SAINT CECILIA QUARTETTE
Will Make Its Bow Before a Maysville Audience Next Friday Evening.

"The Saint Cecilia Quartette" will make its bow to a Maysville audience at the entertainment at the opera house on Friday evening.

Mrs. Stanley Lee, first soprano, needs no introduction to the music loving people of this community. Miss Kate Simmons, of Aberdeen, second soprano, has a fresh, clear mezzo of powerful tone, and an ear that keeps her as true to the key as the needle to the pole. Mrs. Randolph Madison, first alto, is a pupil of Bishoff's, and has done quite a good deal of church and concert singing, but owing to throat trouble has been giving her voice a rest. She takes a place that nobody wants, and yet must be filled to round out a quartette. For Miss Bessie Sutton, of Aberdeen, second alto, a brilliant future is predicted. She has not been heard here more than once or twice, and is only beginning to study, but her tone quality, all unaided by art, is such that those who have heard her mellow, resonant notes, are anxious to hear them again.

Altogether the St. Cecilia may be expected to do some good work. Of course with time the voices will blend more perfectly and a larger repertoire will be at the disposal of the public.

THRILLING EXPERIENCE.

Escaped the Storm's Fury, But Had to Spend Three Days in a Light House.

[Commercial-Tribune.]

Dr. J. H. Samuel, of Maysville, arrived at the Palace Thursday, accompanied by his wife and son, en route home after an interesting and beneficial six weeks sojourn on the extreme Southern coast of Florida. He went South for the benefit of his health, and not only got well but had plenty of sport in the bargain, as well as an experience that was thrilling enough and unusual enough to afford him a quite realistic idea of what "those who go down to the sea in ships" may suffer from shipwreck.

"Friday morning before Christmas," the Doctor relates, "a party of four of us decided to take a little spin out in the gulf. It was a bright, beautiful day, and we were soon under good headway in one of the yachts which were at our command. We had been out some hours, when almost without warning the storm clouds gathered and it began to blow great guns."

"We realized that it would be impossible for us to reach the shore, so we started on a run to a lighthouse near at hand. We made the landing in time, but only just in time, for then the storm burst with redoubled fury, and our little bark would surely have found it impossible to weather the gale had we been out in it. For three days we were kept prisoners in the cramped quarters of the lighthouse before the storm subsided sufficiently to enable us to again set sail."

"As the keeper of the lighthouse had on hand barely enough provisions for himself for three days, you may imagine the predicament he found himself in when he attempted to provision the whole crew. We didn't quite starve to death, but we came so near eating everything in sight that about the only thing that escaped our voracious appetites was the paint on the walls."

PERSONAL.

—Miss Regina Bendel has returned home after an extended visit to relatives in Cincinnati.

—Mrs. H. Lloyd Watson has returned home after a very pleasant visit at Charleston, W. Va.

—Miss Anna Martin, of near Ripley, has returned home after a pleasant visit with Miss Effie Fitch, of Fern Leaf.

—Lieutenant Daniel A. Jenkins and sister, of Maryland, are visiting the family of Mr. James Wood, of Fern Leaf.

—Mrs. 'Noch Powell, of Covington, has returned home after spending a few weeks with her parents, Mr. and Mrs. R. F. Means.

—Mr. Joel Wallingford and Mr. and Mrs. Davis Anderson, of Cincinnati, arrived Monday to attend the funeral of the late Joseph Wallingford.

—Mr. Harris K. Alexander returned to Frankfort Monday after spending Sunday with his parents. Harris is feeling pretty good over his election as Page in the House of Representatives. His friends were congratulating Sunday over his success.

—Covington Commonwealth: "Bright Miss Edith Noonan left Saturday for St. Frances de Sales Academy, Maysville, to pursue her studies in English preparatory to finishing her art studies later. She has undisputed talents in art, but to perfect genius one should be educated finely. A young man or woman makes a mistake not to accept an education when granted, for it helps to perfect especially the 'divine' arts, music, painting and sculpture."

CINCINNATI TOBACCO MARKET.

Offerings Remarkably Light Last Week. Prices Fully as High as Before the Holidays.

	1898.	1897.
Offerings for the week.....	Hhds. 946	Hhds. 1,120
Rejections.....	243	294
Actual sales.....	703	826
Receipts.....	1,257	850
Offerings of new for the week.....	633	363

The Cincinnati Leaf Tobacco Warehouse Company, in its circular for the week, has the following:

Offerings of tobacco for the week have been remarkably light. Many of the shippers preferred to see how the market would start before offering freely. Prices were fully as high at the close of the sales before the holidays, and the best grades of the new crop were some firmer, while the color trash and lugs, we thought, were some easier. Old tobacco was taken freely by the manufacturers' buyers, and, as a good many predict, the old and new crop can not help coming closer together—either the new crop will decline or the old crop advance.

There were very few fancy hogsheds of old on the sales, although there was a strong competition on them, and satisfactory prices obtained. Medium and low grades continue about the same.

There were a few hogsheds of the new crop from West Virginia marketed this week, and the quality was much better than last year, and prices realized far above the expectations of the owners, being about double those obtained last year. If prices continue firm a large portion of the crop will be forwarded to market early.

Country buyers are purchasing some tobacco, and from all reports high prices are being paid, which most always follows a successful year. Most of the purchases are being made for immediate shipment, and if prices do not decline we can expect active sales for the next three months. The buyers have all returned from their holiday vacation, and therefore we have a full attendance on the sales. We can expect much larger offerings the coming week, and hope the market will settle into a steady and active one, so that sellers can place their goods upon the market with satisfactory results.

WIRE TAPPERS CAUGHT.

The Roby Bookmakers Said to Have Lost \$2,000.

Chicago, Jan. 10.—Wire tappers caused the Roby bookmakers to lose about \$2,000.

They were caught in their work, however, and arrested. The men gave their names as Richard Kilberd, Edward Stedley and Walter Watkins. The police believe that their operations have cost them several thousand dollars in the Roby bookmakers, but it is thought that they have been working their plan any length of time.

Their discovery was due to the Pennsylvania operator at South Chicago, who noticed a wire running out of a barn. He informed the police, and the officers surrounded the structure and arrested the men. Stedley did not want to submit to arrest, as he declared the instrument was in the barn for an honest purpose, and they were not subject to arrest. He struggled fiercely at first, but was overpowered. The men did not have any money in their possession when they were searched at the station.

Wounded in His Thigh.

New York, Jan. 11.—Among the passengers who arrived on board the steamer City of Washington from Havana was Frederick Funston, a Cuban insurgent general, who comes to this country for medical treatment. Funston is also well known as an Alaskan explorer. He has been on the staff of General Garcia, as chief of artillery, for more than 12 months, and was captured about four weeks ago at Puerto Principe. He gave a fictitious name and was released shortly afterward. Mr. Funston is suffering from the effects of a bullet wound in his thigh.

Effect of Freezing.

Chillicothe, O., Jan. 11.—Peter Wingo is lying at the home of his brother with his hands, feet face and face burst open, and it is not believed he can ever recover. During the intense cold spell Wingo was overcome by the cold and fell from his buggy. He lay unconscious by the roadside until morning, when he was found. His feet, hands and face were frozen solid, and he afterward swelled to enormous proportions, finally bursting open.

McKenna's Nomination Not Considered. Washington, Jan. 11.—The senate judiciary committee did not consider the nomination of Attorney General McKenna to be associate justice of the supreme court. This nomination was incidentally mentioned in the committee, but different members desired to dispose of the unobjected nominations and the time of the committee was taken up with these cases. The committee will meet and consider the McKenna nomination.

MAYSLEICK.

One of the most enjoyable social events of the season was a party at the hospitable home of Mr. and Mrs. M. Burke given by their daughter, Miss Anna, to her many friends on Wednesday evening, January 5th. Dancing was the principal feature of the evening. The hostess did all that could be done to make every one enjoy themselves and succeeded admirably. The famous Hick's band furnished the music. At the hour of midnight the guests repaired to the dining room where a sumptuous feast was spread. After partaking of the delicacies they then returned to the ball room where dancing was continued until the " wee wee " hours " when the judges justly decided Mr. Curtis Browning the graceful dancer of the many present.
